

L'USURPATION DE COMPTE PAYPAL

1 - Mail "officiel" de Paypal, vous invitant à confirmer vos données sans quoi votre compte sera détruit :

Dear PayPal valued member,

Due to concerns, for the safety and integrity of the PayPal community we have issued this warning message.

It has come to our attention that your account information needs to be updated due to inactive accounts, frauds and spoof reports. If you could please take 5-10 minutes out of your online experience and renew your records you will not run into any future problems with the online service. However, failure to update your records will result in account deletion. This notification expires on 30 February 2004.

Once you have updated your account records your PayPal will not be interrupted and will continue as normal.

Please follow the link below
and renew your account information.

3 - URL du site de « vérification Paypal » :

<http://www.s2-sgsi.dap.ro/index.html>

Voila, une fois de plus l'origine de ce mail ne fait
aucun doute... le « .ro » signe l'origine
géographique !!!

Si vous cliquez dessus, vous arriverez sur cette
page, écrite en bon roumain :

Ne pare rau, dar pagina pe care o cautati nu se afla pe serverul nostru.

We are sorry but the page you're looking for was not found on our server.

© 2004 [DAP.ro](http://www.dap.ro)

www.DAP.ro - Error 404

Ahaha ! Donc, la page n'existe plus, heureusement pour nous !

Conclusion : au même titre qu'Ebay, Paypal n'envoie jamais de mail vous invitant à confirmer vos données, donc ne répondez pas.
